

SERVICES IN BLACKPOOL, FYLDE & WYRE

Thank you for considering Creative Support as your support provider of support.

We cover a wide range of need including learning disabilities, physical disabilities, mental health needs, acquired brain injury, the elderly and people in need of tenancy support.

We have well established, dedicated services to cover everyone's needs including a Learning Disability Service that provides supported living and domiciliary/outreach service, a floating support service in the Blackpool area and a "Solutions Plus" three step service in the Fylde and Wyre area for people with a wide range of mental health needs.

We have a committed and dedicated staff team, trained to deliver quality support under the guidance of an experienced and professional management team.
