We certainly didn't go hungry at the event - look at all the delicious cakes we were donated for the day! Thank you so much to everyone who put their baking skills to the test and made these incredible cakes. Which one is your favourite?

We recently had a fantastic day fundraising for our local food bank, Trussel Trust, where we raised an amazing £175 while enjoying cakes, dancing and singing!

To keep everyone safe we held the day outside and had table service where people waved their flags to call their server over. Each service sat in their own bubbles with staff, and to protect us from the unpredictable Manchester weather we were even lucky enough to be donated gazebos.

Once the music started we all know it only takes a couple of brave hearts to get the party started and then everyone joined in! Rachael, one of our social distancing officers, ditched her post for a livelier scene. Paul was the greatest dancer of the day, and while Chris took his time deciding, once up he didn't look back.

Lee never left his post as our safety officer, avidly taking temperatures and reminding people of social distancing; he only had a short pit stop for a bit of cake and a brew!

We managed to fit in a sing along towards the end of the event and had a raffle. After the event had finished we put together boxes of cakes that were taken to those that couldn't attend due to the Covid-19 restrictions on the number of people at a gathering - this meant nobody missed out on the yummy cake!

We'd like to say a big thank you to everyone that helped make this event a success, from bringing in tables, gazebos, donations of cakes and staff time - not forgetting those that volunteered their time and baked... Thank you!
