

Are you providing care to an individual who:

- Has symptoms consistent with COVID-19?
- Has a confirmed diagnosis of COVID-19?

Do you have the Essential PPE?

	Gloves	
	Apron	
	Mask	

Eye Protection is also required if there is a risk of splashing bodily fluids into the eye area.

If you don't have the right PPE - STOP!

Take immediate advice before providing care or support within 2 metres, ensuring that you don't leave the service user in imminent danger when seeking advice.

Ring Head Office on **0161 236 0829** and ask to speak to the nominated COVID-19 Co-ordinator, Monday to Friday, 9am to 5pm.

Outside of these hours please ask to speak to the Duty Manager. We are available 24 hours a day, 7 days a week to provide advice and support to our staff.

We can assure you that we have sufficient supplies of PPE and can provide you with the right guidance to ensure your safety.

Your safety is our priority
