Nomination Details:

Health	Helping Others
Service users who have made an effort to develop or maintain healthy habits. This could be finding ways to exercise at home, or cooking and eating healthily.	Those who have actively helped others. This could be checking in with potentially isolated service users, staff or family, or simply showing acts of kindness to others.
Activities	Coronavirus Award
Individuals who have tried new activities to develop positive wellbeing within their lives. Things such as arts and crafts, writing or meditation.	For taking a positive approach despite the challenges faced during the pandemic. For example, helping with social distancing and supporting others to keep positive.

Reason for Nomination (please continue on extra sheet if necessary)

Outcome of what service user has done e.g. increased confidence, reduce anxiety, achieved goals etc.

Please return completed forms to:
