

500 Words Competition

Our '500 Words' competition is back and we want to give our staff the opportunity to share their stories and write from the heart.

All you have to do is put pen to paper (or fingers to keys) and share between 300-500 words about your time at Creative Support. Our panel of judges will then select a winner, who will win a whopping:

£500!

Plus a £20 voucher for 10 runners-up!

This competition is open to both contracted and relief staff, along with volunteers. Don't worry about your spelling or grammar - all we're looking for is great stories. Send your entries in to:

If you need some inspiration, you could think about:

- **Something you've done that makes you proud**
- **A memorable moment or two**
- **Why being part of Creative Support means a lot to you**
