Hours: Full time hours (37.5 hours per week) to be worked flexibly according to the needs of the extra care service. It is a core expectation that you will work early shifts, evening shifts and on weekends.

Responsible to: Senior Operations Manager and Service Director

The Services:

We are a not-for-profit organisation seeking a warm, compassionate and proactive Extra Care Registered Manager to oversee the operational management and quality of two of our Extra Care services in Carlisle (Burnside Court and Heysham Gardens).

Heysham Gardens is a purposes built Extra Care scheme for older adults over the age of 55. The scheme consists of 60 one-bedroom self-contained flats. Some flats and bungalows and privately owned and at present we support approximately 30 clients (300 hours of support in total per week).

Burnside Court has 17 one bedroom and 27 studio purpose-built properties for rent for people over the age of 55. The scheme currently provides support to approximately 28 clients with a variety of needs totalling on average between 280-350 care hours per week.

The scheme's focuses on providing integrated, holistic care and support to older people with care and support needs, including dementia, mental health needs, physical disabilities, learning disabilities and complex health needs.

Summary of Role:

1. To be responsible for the leadership and operational management of an Extra Care Service for older people who have a range of needs, including physical disabilities and mental health needs, dementia and long term health conditions. You are expected to collaborate positively with the housing provider, Care Managers, health professionals and other stakeholders.
2. To be accountable as Registered Manager for the overall quality of the service and to ensure it conforms with the service specification, quality standards and expectations of Creative Support, the Council and stakeholders. You will ensure that CQC care standards are met and that the highest level of customer service is provided.
3. To work with our partner housing provider to promote a positive, inclusive atmosphere within the scheme. To encourage participation in social activities on-site and to build connections in the wider community.
4. To ensure that the people we support receive individualised, person-centred care and support which enables them to enjoy a good quality of life. To work with each person we support and their wider network of support to achieve positive outcomes.
5. To deploy staff efficiently and effectively and to coordinate the delivery of care and support, ensuring that all service users receive planned care in accordance with their assessed needs and preferences.
6. To ensure the safety and wellbeing of the people we support at all times, ensuring that policies and procedures are followed, that medication is administered as prescribed and that all care provided is properly documented and regularly checked and reviewed.
7. To respond, complete and manage new referrals and link in with the Housing providers and Local Authority to ensure needs can be appropriately met.

Management Duties:

8. To articulate and reinforce the holistic, responsive and person-centred philosophy of the extra care model. To ensure that staff understand, and are committed to, the values and expected outcomes of Extra Care and that this philosophy of care is embedded in practice.
9. To deliver a person-centred, flexible and personalised service that promotes the privacy, dignity, and wellbeing of service users. To use a reablement approach which maximises independence within a strengths-based model of care and support. To ensure that staff respect the rights and entitlements of service users and demonstrate unconditional positive regard at all times.
10. To ensure that an outcome-focused and personalised Extra Care Support Plan is devised in response to the identified needs, preferences and aspirations of individuals and that an agreed programme of support and activities is identified and organised. To ensure that care and support plans are consistent with statutory assessments and care plans, as appropriate.
11. To ensure there is an up to date risk assessment and risk management plan for each service user which is reviewed at least every 6 months and that all staff are aware of the risk management guidelines.
12. To ensure that service users receive a consistent, reliable and personalised service by deploying staff to meet their needs and preferences in accordance with agreed support plans and activity programmes. To ensure that commissioned support hours are provided reliably in accordance with the statutory care plan and that identified outcomes are met.
13. To encourage and support people to express their needs, views and concerns. To enable the people we support to make choices and decisions, and to participate as fully as possible in planning processes. To enable people to contribute actively to decisions regarding their own care, support and activities through communication methods tailored to individual needs.
14. To ensure that service users are supported to exercise control over their own lives and to consent to their own care and support arrangements. Where there are concerns regarding a service user's capacity to consent to care and support to seek guidance from the Care Manager regarding any need for capacity and best interest assessments. To ensure that any measures which are required to ensure service user safety are agreed as being least restrictive and in the service user's best interests. To participate in Best Interest meetings and to make referrals for Community DoLs applications when required.
15. To ensure that the service is delivered in accordance with CQC care standards at all times. To carry out and record regular audits of service user welfare, records of care, medication and other aspects of service delivery.
16. To devise rotas as efficiently and effectively as possible, and to arrange cover for absences and additional requirements as needed. To ensure that staff rotas take account of gender preferences, planned activities and other specific requirements. To ensure that the care provided is skilled, responsive, and reliably delivered at times which meet the needs and lifestyle preferences of individuals. To deploy staff resources efficiently and flexibly to meet identified needs and plan rotas fairly and at least 4 weeks in advance. To endeavour to provide service users with care and support from a familiar and consistent staff team.
17. To ensure that there are sufficient contracted and relief staff to meet the assessed needs of service users and the contract specification, and to avoid using agency staff. To proactively identify the need for staff recruitment and be involved in the recruitment and selection of staff and volunteers alongside senior colleagues. To ensure that staff resources are used carefully and optimally.

18. To promote and nurture best practice and brief staff regarding policy and practice issues. To ensure effective internal communication and to organise regular team meetings for staff and promote active participation in discussions.
19. To lead staff to ensure that the highest levels of performance and standards of work are achieved and that the service is delivered in accordance with individual care plans, the contract specification and CQC requirements. To ensure that all staff practice in a safe, competent and person-centred manner, and follow all guidelines for the provision of personal support, management of medication and health conditions, support with mobility, everyday household tasks, personal finances and community activities.
20. To monitor and assess the attendance, reliability, performance, values and competence of staff through supervision, direct observation and through feedback from clients and stakeholders. To ensure that staff, apprentices, volunteers and students on placement receive personal support, supervision and appraisal in accordance with agency and CQC requirements. To ensure that staff records are up to date and ready for inspection by CQC and senior managers.
21. To develop and manage the performance of staff by providing supervision, coaching, direct observation of practice and periodic appraisals. To identify and proactively address performance issues and concerns. To consult with HR in the management of serious concerns.
22. To ensure that staff training needs are identified and met, and that all mandatory and service specific training undertaken is recorded within supervision files and the training matrix. To induct new staff and agency staff thoroughly, ensuring that they are aware of the needs and preferences of service users and all essential safety requirements.
23. To assist with the organisation of regular team meetings at monthly or more frequent intervals, and to ensure that staff are well-briefed in all matters relating to policy, good practice and agency requirements. To encourage full attendance and the participation of all staff (including part time and relief staff) in these meetings.
24. To ensure an appropriate 24hour response in the event of emergencies and requests for assistance via emergency alarm/pull cord system or other means. To undertake regular pull cord checks. To ensure that staff understand their duty of care in respect of responding to medical and other emergencies and are assertive and confident in communicating with emergency and on-call services.
25. To ensure that people we support who have complex needs have a designated key worker with identified responsibilities for implementing and reviewing their support plan and for working towards the achievement of agreed goals and for communicating effectively with their network of support and other agencies.
26. To ensure that staff administer medication reliably in accordance with their prescription and that staff follow all guidelines for administration and recording. To ensure that controlled drugs and PRN medications are stored and administered in accordance with agreed policies. To ensure that medication ordered on behalf of service users is checked, recorded and safely stored. To undertake regular medication stock checks. To liaise with GPs, pharmacists and community nurses and ensure that side effects and medication concerns are reported.
27. To carry out reviews 6 weeks after the service user has moved into the scheme to ensure that person has settled in and that their needs are being met. To ensure that person-centred reviews are carried out at 6 monthly intervals and that these are organised in such a way as to maximise the participation of the people we support and their network of support. To utilise the review process to adjust planned support and to monitor the service user's satisfaction with their planned and delivered care.

28. To ensure high standards of health and safety by ensuring that staff comply with all safety policies and requirements. To ensure the physical environment is maintained in a safe, clean and tidy manner. To ensure safe lone-working protocols are followed and to be aware of staff whereabouts at all times.
29. To ensure excellent communication and joint working with the housing provider to ensure that accommodation and physical environment is kept to a high standard and that all areas are attractive, clean and well maintained. To ensure that repairs are reported in a timely manner and escalate matters if repairs have not been completed within allocated time scales and/or to the client's satisfaction.
30. To encourage the use of assistive and creative technologies and to support people to obtain and manage aids and adaptations to their homes in order to meet their mobility and other needs. To ensure that people with mobility and manual handling needs have an up to date manual handling assessment and that staff follow any specific guidelines for safe manual handling or mobility support which may arise from these assessments. To ensure that people with additional physical/sensory disabilities receive a service which is tailored to their individual needs and communication requirements.
31. To ensure that emergency buzzers, pull cord/pendant alarm systems, assistive technologies telecare and mobility aids/equipment are regularly checked in partnership with the Housing Association, and function fully, and that staff and service users are trained in their use. To ensure that relevant contact numbers are accessible to staff in order to report faults with systems/equipment. To undertake regular checks and audits of pull cords and pendants to ensure that staff respond promptly and helpfully when these are activated.
32. To ensure a joined-up approach to fire safety and prevention with the housing provider, ensuring clear responsibilities and accountability for each agency. To ensure that there is a Personal Evacuation Plan in place for each service user that requires one and that there is an overall Fire Evacuation Plan for the scheme which is clearly communicated to all staff.
33. To respond positively to enquiries and referrals and to undertake assessments of needs for prospective clients. To contribute to allocation decisions, collaborating with the partner housing provider to fill vacancies in accordance with service aims and contractual requirements.
34. To communicate effectively with staff, the people we support, their families and stakeholders, and to promote the positive reputation and activities of Creative Support and the extra care service.
35. To report, document and manage accidents, incidents, emergencies and complaints following Creative Support and agreed multi-agency reporting guidelines and requirements. To contribute to social care governance through collating and analysing all incidents, identifying root causes and implementing preventative actions.
36. To provide excellent internal and external customer care. To respond professionally to all enquiries and to reply efficiently to emails and written requests for information. To encourage customer feedback and to regularly seek feedback through surveys and consultations.
37. To ensure that service users and their families, are aware of the Complaints Policy and are supported to make complaints and suggestions. To promote a positive and responsive attitude to complaints. To acknowledge, record, and proactively follow up all complaints, concerns, compliments and suggestions. To ensure that complaints are investigated in line with Creative Support procedures and that timely and appropriate action is taken. To implement the learning from complaints to improve service delivery.

38. To ensure that service users have access to independent sources of advice, advocacy and representation, as required.
39. To ensure that vulnerable adults and children are safeguarded from harm. To ensure that all staff, volunteers, and students on placement comply with Creative Support and the Council's Safeguarding Policy and Procedures. To report immediately any concerns regarding vulnerable adults or children to the Service Director, the Duty/On Call Manager and the local authority. To put in place an Interim Safeguarding Plan to protect service users from harm pending further safeguarding strategy meetings.
40. To carry out all recording and administrative duties relating to the management and quality monitoring of the service, and to comply with all requests for reports and information from your line manager. To ensure that the service provided meets the service specification, Creative Support's quality expectations and CQC essential standards.
41. To implement and comply with Creative Support's Equal Opportunities Policies. To ensure that the service provided is sensitive to the cultural, spiritual and religious needs of service users and staff alike. To promote cultural sensitivity and anti-discriminatory practice.
42. To maintain effective administrative procedures and financial control systems. To ensure efficient use of resources. To ensure that staff carry out and record all financial transactions (including petty cash, expenses and service user finances) within agency guidelines and that matters pertaining to clients finances are managed within Creative Support's Policy 'Client Financial Procedures' guidelines. To carefully monitor financial arrangements and transactions.
43. To participate in monitoring and evaluation procedures. To contribute to formal reviews of the service. To collect and collate quality data and relevant statistical information. To participate in the evaluation of client outcomes. To develop and implement a Quality Development Plan and to implement all quality improvement requirements and recommendations.

Care and Support of Service Users:

44. To develop and sustain warm, trusting and respectful relationships with the people we support. To promote the self-esteem, happiness, and welfare of the people we support. To offer unconditional positive regard to the people we support, and to respect their right to privacy and confidentiality.
