JOB DESCRIPTION – SUPPORTED LIVING MANAGER

Swinton Service

Hours: 37.5 hours per week to be worked flexibly including evenings, weekends and bank holidays according to the needs of the service

Responsible to: Senior Service Manager (Registered Manager)

Our focus is on providing person-centred, outcome focused support which enables people to lead fulfilling and valued lives, maintain their tenancies, participate in the local community, develop independent living skills and achieve their personal goals and desired outcomes.

The Role:

The role will cover a small cluster of supported tenancies within the Swinton area. You will be working with a large management team within a nice office setting. The Supported Living Manager is responsible for managing high quality support across these schemes for people with a learning disability and/or autism, and long term health needs.

You will ensure that the care and support provided is truly personalised and delivered in accordance with agreed support plans and customer preferences, enabling the achievement of planned outcomes. You are expected to collaborate positively with the families of the people we support, colleagues, Care Managers, health professionals and other stakeholders. You will provide direct care and support and carry out support task within the person's home. This could involve the provision of personal care, health related tasks, support with daily living, administering medication, moving and handling, community participation and activities, household tasks and general emotional support. In addition to this, you will be responsible for:

- To be responsible for the management of the supported living services in Swinton.
- To develop and co-ordinate a flexible, high quality service for adults with a learning disability and/or autism, and long term health needs.
- To supervise and manage a team of staff providing person centred support. To enable the service users to maintain their independence, experience improved wellbeing, and enjoy opportunities for personal development. To ensure that all staff work in a positive, person-centred and non-discriminatory manner, ensuring that the rights of service users are respected at all times.
- To ensure that the service is provided in accordance with the service specification and contract, and to comply with all monitoring and evaluation requirements. To demonstrate the quality and effectiveness of the service through acquiring feedback from service users and stakeholders, and collating positive outcomes.
- To work in partnership with the Registered Manager to ensure the services are of high quality and compliant with CQC regulations.

Staff Management

1. To lead and manage staff so as to ensure that the highest levels of performance and standards of work are achieved.
2. To co-ordinate and deploy staff resources as efficiently as possible in relation to the needs of clients and the requirements of the service.
3. To generate and maintain a customer focused ethos at all times and to ensure excellent working relationships with other professionals.

4. To ensure that all staff receive personal support, supervision and appraisal. To take appropriate supportive and corrective action to ensure that performance difficulties are addressed effectively.
5. To ensure that staff training and development needs are identified and met. To participate in the planning and delivery of staff training and development activities.
6. To ensure that staff understand and are committed to the values and objectives of the service and Creative Support.
7. To organise and chair team meetings.
8. To promote and nurture good practice and to brief staff regarding policy and practice issues.
9. To ensure that staff support service users in ways which are empowering, build confidence and self esteem and maximise independence.
10. To organise and manage the recruitment and selection of staff, under the direction of the Service Manager, ensuring a high level of service user participation in the selection process.
11. To promote commitment to positive behaviour management guidelines and competence in developing such guidelines in collaboration with service users and the wider multi-disciplinary team where appropriate.

Care and Support of Service Users

12. To ensure that staff develop and sustain warm and trusting relationships with service users and that staff promote their self-esteem, happiness and emotional health.
13. To ensure that staff encourage and support service users in expressing their needs, views and concerns. To enable service users to make choices and decisions and to participate as fully as possible in planning and decision making processes.
14. To ensure that staff respect and promote the rights and entitlements of people with learning disabilities, and enable service users to participate as fully as possible in their communities. To ensure that service users are offered access to sources of independent advocacy and advice.
15. To ensure that the service supports service users in developing socially valued lifestyles which includes a varied range of culturally and age appropriate experiences, building on the strengths, interests and aspirations of the service user. To enable people to access social, leisure, work and educational opportunities and to sustain an active programme of involvement in such activities.
16. To promote a warm and positive approach to the friends and families of service users. To involve families and significant others in the planning of individual support, where this is in accordance with service user preferences.
17. To ensure that service users are enabled to become as independent as possible and to grow in confidence, competence and personal effectiveness. To achieve this through the provision of practical assistance, support, teaching, advice, role modelling, encouragement and positive feedback.
18. To coach staff in the use of appropriate strategies and interventions, as specified by the Person Centred Plan, to support people who express their frustrations and needs through challenging behaviour. To act as an appropriate role model with regard to issues around authority, personal conflict and responsibility.

19. To ensure that service users receive all necessary advice, care and regular health checks to maintain their physical and emotional well-being. To promote nutrition, relaxation, exercise and a healthy lifestyle.
20. To ensure that medication is administered and recorded as prescribed. To organise safe procedures for the collection, storage and administration of medication within agency guidelines. To report any side effects or failure to take medication to the prescribing doctor.
21. To observe and monitor the service users' emotional and physical well being and to inform relevant staff and agencies of any concerns or significant changes in their needs, behaviour and circumstances.
22. To ensure that emergencies and incidents are responded to promptly and appropriately within agency policy and reporting procedures.
23. To ensure that staff carry out and record all financial transactions involving service users within agency guidelines. To ensure that service users are enabled to be as independent as possible in the management of their personal finances. To ensure that they obtain their full benefit entitlement and are given advice and assistance in connection with budgeting, payment of bills and avoidance of debt.
24. To promote anti discriminatory practice and to ensure that the services are responsive to the specific needs of female service users and clients from ethnic minorities.
25. To ensure that the specific needs of service users, who have additional problems, including physical health needs and disabilities, Autistic Spectrum Disorders, communication needs and mental health problems, are fully identified, assessed and fully responded to as appropriate.
26. To ensure that all service users have Individual Support Plans and person centred plans which are regularly reviewed and evaluated. To monitor the content, implementation and effectiveness of plans. To ensure that all service users have a key worker and co-worker and to act as the nominated key worker as appropriate.
27. To ensure that service users receive appropriate and adequate care and support to meet their individual needs, drawn from the full range of external services available, as well as from resources available within the project. To ensure that all service users are effectively linked into Care Management mechanisms and have identified statutory Key Workers.

Project Management and Administration

28. To be accountable for the overall quality of the services and to ensure that they conform at all times with the service specification and the quality standards and expectations of Creative Support purchasers and stakeholders.
29. To ensure effective joint working with partner agencies and the achievement of agreed service objectives. To ensure that each agency performs its separate responsibilities and that excellent communications are maintained.
30. To ensure that policies and regulations pertaining to fire, environmental health, lone working, general safety and security are understood and adhered to by all staff, tenants and visitors. To promote a high standard of health and safety awareness. To record and investigate accidents and incidents within the service and to take appropriate follow-up action. To manage the health and safety requirements as outlined within the supported living agreement with the housing providers.

31. To encourage customer feedback and suggestions for improving services and to promote a positive attitude to complaints. To ensure that complaints are fully investigated within the agreed procedures of Creative Support and that timely and appropriate action is carried out. To ensure that the individual rights of service users are respected by staff and that service users are offered access to sources of independent advocacy and advice.
32. To maintain effective administrative procedures and financial control systems in liaison with the Area Manager and the Finance Department. To ensure that all matters pertaining to client finances are strictly managed within the parameters of Creative Support's Policy *Procedures* and to monitor carefully all financial arrangements and transactions.
