JOB DESCRIPTION – PROJECT MANAGER - Manchester

Hours: Hours based on 37.5 per week, to be worked flexibly to include evenings, weekends and bank holidays according to the needs of the services.

Responsible to: Locality Manager

Location: Manchester

The Role and Our Expectations:

We are looking for a caring, dynamic and highly motivated Manager to join our established team in Manchester

You must be a practitioner with management skills and have experience and knowledge of working within the social care sector in support of people with housing, mental health and related needs.

The Project Manager will lead the operational management of a high need mental health accommodation service for 12 people in Whalley Range. Your role will be to ensure that the service users receive recovery focused support to ensure they can enjoy their best lives and reach personal outcomes. The role also involves the effective management of risk ensuring risks are assessed and risk management plans are robust and updated. You will be supported by an experienced team of managers and peers working in Central Manchester.

You will ensure that the care and support delivered is truly personalised and provided in accordance with agreed support plans, enabling service users to enjoy wellbeing, quality of life and develop community connections. You will promote and reinforce an open culture of responsive, person-centred practice and active support across the service, with relationships based on respect and unconditional positive regard. Your role will include responsibility for:

- Recruitment and selection of staff matched to needs of service users
- Management and support of a team of senior staff and support staff
- Ensure rota planning and the deployment of staff to meet the needs of service users
- Ensuring continuous, reliable and consistent service delivery at all times
- Maximising positive outcomes for all service users
- Performance management
- Safeguarding lead
- Auditing and Quality Assurance
- Compliance with commissioner expectations and standards
- Contract management
- Managing Voids and Occupancy
- Managing Referrals and assessments
- Managing Relationships with internal housing colleagues
- Managing Relationships with multiple Commissioners
- Providing excellent customer care to all stakeholders

About You:

- Above all you will be warm, able to engage and approachable
- You are a “hands on” leader
- You will be an adept communicator both verbally and in writing
- You will be an excellent problem solver
- You will be confident
- You will be professional, responsible and accountable
- You will show low expressed emotion and be collaborative and emotionally resilient
- You will be intelligent, questioning, analytical and observant with a high attention to detail
- You will be an excellent team player
- You will have a keen interest in learning and will be interested in attending training pertinent to your role

About Your Knowledge and Experience:

- You will have experience working with individuals with mental health needs.
- You will be a highly effective communicator able to create balance between boundary and patient, with an inclusive and sensitive approach
- You will understand the potential impact of behaviour upon staff and have knowledge of trauma informed approaches.
- You will have experience and understanding of risk assessment, review, management and mitigation
- You will have excellent organisational and planning skills
- You will have excellent record keeping skills and understand the impact of poor record keeping
- You will understand the importance of developing and maintaining a health team dynamic
- You will understand the importance of care, compassion, communication, courage, competence and commitment

Main Duties

- i) To be responsible for the operational management of a high need mental health accommodation service in Manchester, delivering high quality services including housing related support, mental health needs (complex and recovery focused), drug and alcohol and social support needs . To ensure that services are responsive to the needs and preferences of service users. To ensure that all contract requirements and stakeholder expectations are fully met and reviewed in line with contracts.
- ii) To ensure service users who live in accommodation based services are supported to develop skills and coping strategies to self-manage and to positively move on from services within the agreed timescales of the services provided.
- iii) To work in close partnership with partner agencies and other stakeholders developing creative multi-agency working. To ensure that the service is provided in a responsive, flexible and empowering way, embracing co-production to meet the needs of individual service users, ensuring the highest level of customer service is provided.
- iv) To have a responsive, flexible and hands on approach to leading staff to achieve the highest level of service delivery, customer care and positive outcomes

- v) To contribute to the wider development of Manchester Mental Health Services - taking part in partnership events and local initiatives to promote community links and to ensure positive joint working with all local agencies and stakeholders.
- vi) To work as part of a senior team to support and develop the wider service delivery of Creative Support services and seek business development opportunities.

Support of Service Users:

Through personal role modelling, coaching, training and line management:

- 1.1 To ensure that staff develop warm and trusting relationships with service users, and that staff promote their self-esteem, happiness, general well-being and quality of life.
- 1.2 To ensure that staff encourage and support service users in expressing their needs, views and concerns. To enable service users to make choices and decisions and to participate as fully as possible in planning and decision making processes.
- 1.3 To promote inclusion, person centred communication and active engagement.
- 1.4 To ensure that staff respect and promote the rights and entitlements of the people that we support and enable them to participate as fully as possible in their communities. To ensure that service users are offered access to sources of independent advocacy and advice.

Staff Leadership and Management:

- 2.1 To have a clear vision for the provision of services and ensure staff are well inducted into this trauma informed approach and culture.
- 2.2 To lead and manage staff so as to ensure that the highest levels of performance and standards of work are achieved and to lead services that require intensive quality assurance actions. To work in partnership with the Quality Team in achieving high standards.
- 2.3 To co-ordinate and deploy staff resources as efficiently and flexibly as possible in relation to the needs of service users and the requirements of the service.
- 2.4 To generate and maintain a customer focused ethos at all times and to ensure that staff maintain excellent working relationships with other professionals and stakeholders.
- 2.5 To ensure that all staff receive personal support, supervision and appraisal. To take appropriate supportive and corrective action to ensure that performance difficulties are addressed effectively.
- 2.6 To ensure that staff training and development needs are identified and met. To participate in the planning and delivery of staff training and development activities. To ensure all staff including yourself and other senior staff attend all training identified in a timely fashion.
- 2.7 To organise and chair team meetings, ensuring a co-operative and cohesive team spirit and a culture of open and honest communication. To promote and nurture good practice and to

brief staff regarding wider policy and practice issues.

- 2.8 To organise the recruitment and selection of staff, ensuring full service user involvement.

Project Management and Administration:

- 3.1 To be accountable for the overall quality of the service and to ensure that it conforms to the quality standards and requirements of Creative Support, the local authority / ICB purchasers and other stakeholders.
- 3.2 To ensure effective joint working with partner agencies and the achievement of agreed service objectives. To ensure that excellent communications and relationships are maintained with stakeholders. To contribute to multi-agency forums and to promote Creative Support as a positive and dynamic service provider.
- 3.3 To ensure that policies and regulations pertaining to fire, environmental health, general safety and security are understood and adhered to by all staff, service users and visitors. To promote a high standard of health and safety awareness. To record and investigate accidents and incidents within the service and to take appropriate follow-up action. To regularly assess and review risks and to take measures to protect staff when lone working in the office or with service users.
- 3.4 Ensure that medication is managed safely and respectfully with clear policies and systems for staff practice.
- 3.5 To encourage customer feedback and suggestions from service users, carers and stakeholders for improving services. To promote a positive attitude to complaints. To ensure that complaints are fully investigated within the agreed procedures of Creative Support and that timely and appropriate action is taken.
