JOB DESCRIPTION – REGISTERED MANAGER
Dudley Supported Living Service for adults with Complex Needs

Hours: 37.5 hours per week, to be worked flexibly to include some evenings and weekends, according to the needs of the service.

Responsible to: Service Manager/Service Director

Summary of the Role and Our Expectations:

The Registered Service Manager will take the lead in shaping and driving our Dudley services. These services support adults with learning disabilities, autism, physical disabilities, behaviours of distress and mental health needs, each person with their own personality, story and aspirations. Your role is to ensure every individual has the opportunity to live safely, meaningfully and with dignity, while enjoying genuine connections within their community.

As a visible, hands-on leader, you won't just oversee services from a distance, you'll know each person we support by name, understand their needs and ambitions, and build strong, trusting relationships with their families. By being present, you'll anticipate challenges, spot opportunities, and lead your team to deliver support that is truly person-centred and of the highest quality.

You will:

- Recruit teams carefully matched to the needs and preferences of the people we support.
- Bring out the best in your staff, leading and coaching senior colleagues and support workers to deliver safe, compassionate and effective care.
- Create a strong team culture, where staff feel valued, motivated and confident to provide outstanding support.
- Guarantee consistency and reliability, ensuring services run smoothly and flexibly respond to individual needs.
- Champion outcomes, helping people we support achieve their goals and live fulfilling lives.
- Lead with quality and compliance, ensuring CQC standards and commissioner expectations are not only met, but exceeded.
- Manage positively and proactively, preventing and resolving incidents while encouraging safe, positive risk-taking.
- Strengthen family and professional partnerships, offering excellent customer care to all stakeholders.

This role is about more than compliance and oversight, it's about leading by example, building services that feel like homes, and ensuring that every person we support can flourish.

You will support individuals to build confidence, develop their skills and take an active role in their local community. Our goal is to ensure that the people we support can proudly say:

- I live my best life in a place I call home
- I feel listened to, respected and valued
- I enjoy choices and rights and have control over my life
- I am supported to be safe
- I am doing the things that matter to me
- I enjoy relationships with others

- I am connected to my community
- I am supported with my wellbeing
- I feel able to reach my full potential

1. Staff Management:

- 1.1** To ensure that staff resources are deployed as efficiently and effectively as possible across the Dudley services.
- 1.2** To lead and manage staff so as to ensure that the highest levels of performance and standards of work are achieved. To ensure that staff understand and are committed to Creative Support's person-centred values and objectives.
- 1.3** To ensure that staff develop and sustain warm and trusting relationships with people we support promote their self-esteem, happiness and emotional health. To promote a high level of commitment and duty of care to people we support along with unconditional positive regard for each person supported. To support staff to maintain appropriate professional boundaries.
- 1.4** To ensure that all staff receive support, supervision and appraisal. To take appropriate support and corrective action to ensure that performance concerns are addressed proactively. To identify, reinforce and positively acknowledge good practice.
- 1.5** To ensure that staff training and development needs are identified and met and that services maintain up to date staff training matrix at all times. To participate in the planning and delivery of staff training. To carry out and record direct observations of practice to ensure that staff are caring, respectful, empowering and competent in their practice.
- 1.6** To organise senior staff meetings and ensure that these are used effectively to develop and improve services and to foster cohesive team working. To communicate agency policies and initiatives to staff and to brief staff regarding wider policy and practice issues.
- 1.7** To organise and manage the personalised recruitment and selection of staff, matched to the needs of people we support, ensuring a high level of people we support and family participation in the selection process.
- 1.8** To ensure that all new staff and any temporary/agency staff or students are fully inducted into the services; such induction to include: core values (eg dignity, respect) needs/risks of the people we support, support and activity plans, medication & health needs and any associated protocols, Health & Safety, fire prevention and safety, care of the physical environment, emergency procedures, duty of care in respect of health and wellbeing, operational policies, safeguarding and incident reporting procedures, whistleblowing and communicating concerns, internal/external customer care expectations, roles of other agencies, shift and rota requirements, shift leader role, timely submission of valid timesheets/expense claims, timekeeping and attendance expectations, absence reporting, positive team working and general standards of behaviour, conduct and professionalism.

- 2.1** To ensure that staff encourage and support people we support to express their needs, views and concerns and enable people we support to make choices and decisions and to participate as fully as possible in planning and decision-making processes.

- 2.2** To ensure that staff fully respect and promote the rights and entitlements of people with disabilities and support people we support to access independent advocacy and advice.
- 2.3** To ensure that a holistic assessment of need is competently undertaken for each person we support prior to moving into the service and to review and update this on a regular basis. To ensure that all people we support have Individual Support Plans/PCP's which meet their identified needs. To monitor the content, implementation and effectiveness of plans. To ensure that all people we support have a key worker and co-worker.
- 2.4** To ensure that a comprehensive risk assessment is undertaken in relation to each person we support's history, current needs and activities. To devise risk management plans to reduce and manage identified risks. To promote a culture of positive risk management. To undertake a new risk assessment when there is a change in the individuals risk profile.
- 2.5** To facilitate meaningful person-centred reviews, which capture the views of the person supported and members of their Circle of Support, including family members and external professionals. To ensure that PCP reviews take place within 6 weeks of a person moving into the service and at six monthly intervals thereafter. To ensure that reviews are inclusive and dynamic processes which review all aspects of care and support, the person's quality of life, their experience of the service and outcomes achieved. To ensure that new aspirational goals are agreed and that short and longer-term plans are developed and implemented to achieve these.
- 2.6** To ensure that individuals who have additional needs, including physical health needs and disabilities, Autistic Spectrum Disorders, communication needs and mental health problems, are fully identified, assessed and fully responded to as appropriate.
- 2.7** To ensure that the communication needs of people we support are identified and met and that each person with communication needs has a personalised Communication Plan/Communication Passport. Where specific communication skills are required (such as Makaton or BSL) to support staff to acquire and develop these skills. To promote the use of communication tools and approaches (such as social stories, PECs, visual planners and communication boards). To encourage the creative use of assistive and personalised technologies to promote communication and active engagement.
- 2.8** To ensure that people we support receive effective, holistic support to meet their individual needs, drawn from the full range of external services available, as well as from resources available within the services. To ensure that each person we support has an identified Key Worker and Co-Worker for each people we support to co-ordinate their care and support.
- 2.9** To ensure that people we support are supported to develop socially valued lifestyles, including culturally and age-appropriate activities which build on their strengths, interests and aspirations. To enable people to access social, leisure, work and educational opportunities and to sustain an active programme of involvement in such activities. To promote community connections and inclusion.
- 2.10** To ensure that people we support are enabled to become as independent as possible and to maximise their confidence, competence and personal effectiveness. To achieve this by identifying and building on strengths and by developing skills and abilities through the provision of active support and skills training.

- 2.11** To work with people we support and their Circle of Support to develop programmes of meaningful activities in accordance with their needs, interests and risk profile and to monitor the implementation of agreed activities. To draw up guidelines to reduce/manage any risks associated with activities and to promote the people we support active enjoyment and participation in activities.
- 2.12** To contribute to the development and implementation of Positive Behaviour Support Plans and Guidelines as required, working in collaboration with Creative Support's PBS team and the wider Multi-Disciplinary Team. To coach staff in the use of appropriate strategies and interventions which are personalised to their needs and are least restrictive.
- 2.13** To ensure people we support receive all necessary advice, care and regular health checks to maintain their physical and emotional well being. To ensure that people we support receive health-related advice, support and regular primary healthcare checks. To promote the physical and mental wellbeing of people we support through promoting good nutrition, hydration, relaxation, exercise and active healthy lifestyles. To support the development of comprehensive Health Action Plans and specific health protocols where these are required to manage long term conditions.
- 2.14** To promote a warm and positive approach to the friends and families of people we support. To involve families and significant others in the planning of transitions and individual support, where this is in accordance with people we support's preferences.
- 2.15** To act as a role model providing skilled direct care and support to people we support. To guide and coach individual staff members and teams to follow support plans, agreed approaches and interventions. To encourage staff to promote people we support confidence, independence, and competence in all areas of daily living by utilising active support principles, life skills training and personalised coping strategies.
- 2.16** To ensure that staff observe and monitor the people we support's mental and physical wellbeing and to inform relevant staff and agencies of any concerns or significant changes in their needs, behaviour and circumstances.
- 2.17** To ensure that emergencies, accidents and incidents are responded to promptly and appropriately within Creative Support, CQC, HSE and local authority policy and reporting procedures.
- 2.18** To ensure that vulnerable adults and children are safeguarded from harm. To comply with Creative Support and the Council's safeguarding policies and procedures.
